From: Pastor; Ramon Nunez

Dear; Chairman of the committee

I am the pastor of; Iglesia Jesús es el Camino Inc.
Located at 337 Main Street, Danbury CT 06810.
203-748-3514. I represent about 200 members of the church. We believe that abortion practice is against the teachings of the Bible. Therefore we ask the committee to oppose the use of our taxes funds to support the SB274. We recommend that the best way to help the pregnant women is Through counseling programs and the importance of education. Thanks for taking your Time to read this letter. God bless you.
