

SB 274 is a slap in the face to all Connecticut taxpayers.

We are against our TAX DOLLARS paying for or promoting ABORTIONS here in Connecticut.

SB 274 legislation is making a very expensive political Pro-Choice maneuver at the expense of hard working Connecticut taxpayers.

Let's be honest, it's all about the MONEY. The pro-choice lobby is going to force Connecticut taxpayers to make up for the money loss via the Pro-Life Trump administration, restoring the Title X funding; family planning programs which DO NOT promote or pay for abortions here in the USA or abroad.

A January 2019 Marist Poll showed that 54% of Americans polled, are opposed to tax dollars paying for abortions (whether identified as 'Pro-Life' or 'Pro-Choice') while 39% support funding.

This is what Americans want in our country.

Please vote NO to SB 274.
