ATTN: CT Legislature / Governor Lamont

RE: SB-274

I am writing in opposition to SB-274. You are mismanaging MY money. I don't want to pay to kill babies, got it? The tide is turning in this country and you are on the wrong side of history funding Planned Parenthood. Do not do it. People are tired of you and your claim to virtue while killing babies. You are phony and we are taking back our government.
