Connecticut Association of Health Plans

Testimony in Opposition to

H.B. No. 5251 AN ACT ESTABLISHING A TASK FORCE TO STUDY HEALTH INSURANCE COVERAGE FOR UNDOCUMENTED IMMIGRANTS IN THIS STATE.

Respectfully, the Connecticut Association of Health Plans would like to flag H.B. 5251 for future input from the health insurance industry. As currently drafted, the bill establishes a task force to study coverage for undocumented immigrants. But, given the potential for study bills to be further amended with substantive language, particularly during a short session, we would like to request for the record an opportunity for continued dialogue should such a situation arise. Many thanks for your consideration.
