My name is Mandi MacDonald.

Hello. Please consider these measures toward offering life-saving treatment and hope to families. My nephew is currently in rehab. He has so much to live for and I believe that further action by our government officials would give other families hope for a future.

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
