Co-Chairs Scanlon and Lesser; Vice Chairs Dathan and Hartley; Ranking Member Pavalock-D'Amato and Kelly; and distinguished members of the Insurance and Real Estate Committee:

My name is Sally Arnott.

We lost our 39 year old daughter Erin Christine four years ago due to her addiction disease She left behind two wonderful children, a sister, brothers, nephews and many other family members. Her loss will be with us for the rest of our lives. So many others have similar stories. Please help stop this horrible epidemic, now more than ever. Thank you for your your consideration.

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
