My name is Nicole Baier.

I personally knew Brian Waldron and I just cant stand to keep losing my friends from this terrible epidemic. Something has to be done about it. I cant bury anymore friends I've lost way too many, and I'm only 27 years old!

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
