My name is Michele Brabant.

Though I have not lost anyone in my inner circle to opioid addiction, I have to other forms. This opioid epidemic needs to be addressed on so many levels. This law is one way. Please make the right choice.

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
