*My name is Julianne Bregler.*

*My cousin Brian, from New Milford, CT tried so hard to get away from the opioid epidemic & he was refused long term care, which eventually resulted in his death. The system needs to help these people! There has to be more that people can do! This needs to be a country-wide thing!*

*I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.*
