*My name is Patrice Lago, RN EMT.*

*As a first responder I have seen the effects of this too many times. As a RN I have cared for many patients and their families after the devastation of opioid abuse. Our healthcare system is broken in so many ways, this is one way to start fixing it.*

*I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.*
