My name is Amy Plude.

I just lost my best friend, Marisa to this epidemic. She was a beautiful strong willed woman who was always there for her friends and family. Always putting their needs above her own. She was a single mother to a beautiful 7 year old boy, a boy who also lost his father to the same vice four years ago.

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
