*My name is Danielle Walker.*

*I am an addict and my family dealt with the wondering every night If they were going to receive that phone call that I was dead. Not sleeping, praying I would get through this.*

*They watched me lose my husband to an overdose and lots of friends and have become more than aware to this epidemic. This epidemic has split apart me and my kids, put me away from them for a very long time. This needs to come to an end.*

*I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.*
