My name is Patricia Zelno.

We've been to too many funerals of young adults who have suffered from the disease of drug addiction. Too many lives taken too soon. Too many families torn apart, devastated, desperate for help. When is it going to end?

I am urging you to consider these bills to ensure insurance companies are required to provide help to those seeking services and to utilize MAT as a standard form of treatment, the data suggests this is one of the most successful ways to help those recovering from addiction.
