Connecticut Association of Health Plans

Testimony regarding

**H.B. No. 5363 AN ACT REQUIRING THE INSURANCE COMMISSIONER TO STUDY
THIRD-PARTY HEALTH INSURANCE AND MEDICARE MARKETING.**

Respectfully, the Connecticut Association of Health Plans would like to flag H.B. 5363 for future input from the health insurance industry. As currently drafted, the bill establishes a task force to study Medicare marketing practices by non-insurers. But, given the potential for study bills to be further amended with substantive language, particularly during a short session, we would like to request for the record an opportunity for continued dialogue should such a situation arise. Many thanks for your consideration.
