**Date** 2020-02-18 19:43

I am writing to ask you to please support and pass SB 113.

I am an adoptee and I believe all people have a right to information about themselves. This has negatively affected me my entire life...I am 61 now and time is running out... It is VERY important to me that this happens before it is too late...

Please...and thank you...

Lois Anderson
