

To the State of Connecticut —

I am an adoptee born in Bridgeport, CT in 1967.

I am writing in support of passing SB 113 so that I can have real birth certificate.

All American citizens have a right to information about themselves.

I have wanted an actual birth certificate for years.

Both of my adoptee parents are passed on.

It only affects me to not have an actual birth certificate.

I would like to see this measure passed. I spent years away from CT,
but have moved back into Fairfield County within the last four years.

It would be nice to have my state support my human rights.

Thank you for considering this important act.

Yours Truly,

Carolyn Hill-Bjerke
