

To whom it may concern,

My name is Eileen Muller and I am a 53 year old adoptee who has absolutely no idea who I am.

Currently, I am being denied access to my original birth certificate because of an outdated, unfair law that discriminates against all adoptees who happened to be born in Connecticut between January 1, 1944 and October 1, 1983. I would like to see Senate Bill 113 passed so that I, along with a multitude of other adoptees, will be allowed to access my original birth certificate.

It is heartbreaking to not know where you came from. Please do the right thing and create equity for all adoptees by passing Senate Bill 113.

Sincerely,

Eileen Muller
