To Whom It May Concern:

I am writing in support of Senate Bill 113 (Adoptive Birth Certificate Bill). It is very important for adoptees to be able to find their roots.

Not only for peace of mind for also so they are aware of any possible health issues that may affect them.

I worked with a lady several years ago to try to find out who her birth parents were. I wrote several letters on her behalf that apparently fell on deaf ears. She died never knowing who she really was. Very sad.

Please support this bill so that no one else has to go through their lives wondering.

Thank you,
