AN ACT ESTABLISHING A PERSONAL FINANCIAL MANAGEMENT PILOT PROGRAM.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (Effective from passage) (a) For the fiscal years ending June 30, 2021, and June 30, 2022, there is established a personal financial management pilot program to be administered by the Department of Education. The pilot program shall consist of a single half-year course concerning personal financial management and taught as part of a school district's civics curriculum during grade ten. The department shall select, for participation in the pilot program, a rural school district, a suburban school district, an urban school district, and a regional educational service center that operates an interdistrict magnet school program. Such personal financial management course shall be offered at each high school under the jurisdiction of each participating school district and regional educational service center. The department shall assist the participating school districts and regional educational service center in the implementation of the pilot program by providing (1) the curriculum materials made available by the State Board of Education, pursuant to subdivision (6) of subsection (d) of section 10-16b of the
general statutes, and (2) advisors who have expertise in personal
financial management and who can provide assistance to teachers
inside and outside of the classroom, including, but not limited to,
serving as guest instructors for the personal financial management
course.

(b) Not later than January 1, 2023, the department shall submit a
report on the results of the pilot program and any recommendations for
legislation to the joint standing committee of the General Assembly
having cognizance of matters relating to education, in accordance with
the provisions of section 11-4a of the general statutes.

This act shall take effect as follows and shall amend the following
sections:

| Section 1 | from passage | New section |

**Statement of Purpose:**
To establish a pilot program for the teaching of a personal financial
management course in certain school districts.
