There was discussion. Rep. Mastrofrancesco asked if this was a pilot last year. Rep. Abercrombie answered this was a pilot last year, and there was no change since last year except the new legislation says "shall" instead of "may" for all providers. OPM (Office of Policy and Management) did not implement the pilot. Chair Abercrombie gave examples of providers currently saving money and reinvesting in services. Senator Moore mentioned her experience in a non-profit, being unable to use monies saved for prevention services. Rep. Case asked if the bill should go to Appropriations due to the potential cost of peer support specialists.
