

Corporate Headquarters Located in Connecticut

By: Rute Pinho, Chief Analyst
June 4, 2020 | 2020-R-0160

Issue

How many companies are headquartered in Connecticut? This report updates OLR Report [2015-R-0205](#).

Corporate Headquarters

We identified 523 companies headquartered in Connecticut, including 25 listed on the *Fortune* 1000 list. We compiled this data using the ReferenceUSA database, which is a web-based business research service. The list includes all the Connecticut companies ReferenceUSA classifies as headquarters, except government agencies, higher education governing boards, and nonprofit organizations (e.g., credit unions and hospitals).

Fortune 1000 Companies

Fortune magazine annually ranks U.S. companies by total revenues. Its survey includes companies that are incorporated in the United States, operate here, and file financial statements with a government agency.

Table 1 lists the companies by name and provides their headquarters location and primary standard industrial classification (SIC) description. Table 2 lists the 25 companies on the *Fortune* 1000 list by their *Fortune* ranking.
