Testimony: Raised Bill No. 941  
An Act Concerning the Assignment of Certain Property, Tax, Water and Sewer Liens.

***How is reducing the interest rate on assigned liens going to encourage payment??***

The 18% interest rate is designed to encourage property tax payments to be made on time. By authorizing municipalities to reduce the current interest rate on tax liens that have been assigned would provide a benefit to the delinquent taxpayer at the expense of the taxpayers who pay their taxes when due.

I am totally opposed to this bill!
