

Energy and Technology Committee

March 4, 2021

The Connecticut Conference of Municipalities (CCM) is Connecticut’s statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members representing 168 towns and cities.

H.B. 6525 “An Act Establishing a Task Force to Study Electric Distribution Companies.”

CCM supports H.B. 6525, which requires the Department of Energy and Environmental Protection (DEEP) to study ways to make the electric distribution companies more accountable to ratepayers in the state.

CCM would request that the Committee consider (1) assigning municipal representatives to the task force and, (2) encouraging DEEP to seek municipal input during the process.
