## **House Bill 5457 An Act Suspending Penalties and Interest for Certain Late Filings**

Dear Co-chairman Fonfara, Co-chairman Scanlon, and other distinguished members of the Finance, Revenue, and Bonding Committee:

The Connecticut Tax Collectors' Association is reaching out not in support or opposition to the above proposed bill, but rather in search of clarification on the language as currently written.

HB 5457 states "taxes, or personal property declarations be suspended for one year." We respectfully request additional clarification on the phrase "taxes" as written and whether it is referring to state or municipal.

The Connecticut Tax Collector's Association appreciates all of your efforts and we look forward to a follow up on this matter.

Thank you for your time.
