AN ACT CONCERNING SMOKE DETECTION AND WARNING
EQUIPMENT IN ALL RESIDENTIAL BUILDINGS.

As Amended by House "A" (LCO 9167)

House Calendar No.: 305

OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 22 \$	FY 23 \$
Resources of the General Fund	GF - Revenue Loss	Minimal	Minimal

Note: GF=General Fund

Municipal Impact: None

Explanation

There is a revenue loss to the General Fund resulting from the bill, which exempts certain small hot water heaters from inspection by the Department of Administrative Services (DAS). The certification fee for applicable water heaters is \$80 and DAS collected approximately \$1.2 million in fees in FY 20. It is anticipated that the number of water heaters made exempt under the bill is small relative to the overall number of water heaters statewide and therefore the revenue loss is expected to be minimal.

House "A" strikes the original bill and its associated fiscal impact, thus becoming the bill with the above referenced fiscal impact.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation.
