### ***OFA Fiscal Note***

***State Impact:*** None

***Municipal Impact:*** None

### ***Explanation***

The bill establishes a fifteen-member task force to study methods to alleviate dangerously hot room temperatures within residential buildings that contain multiple dwelling units, including dormitories. The study shall recommend affordable and energy efficient methods to cool such buildings to provide a comfortable and safe environment for residents.

The task force shall submit its findings and recommendations to the housing committee by January 1, 2022.

This bill has no fiscal impact as PA 17-236 prohibits transportation allowances for task force members.
