Explanation

The bill allows taxpayers in Danbury, Hartford, Middletown, Plainville, and Seymour to receive a tax exemption that they otherwise would have been eligible to receive if they had not missed the filing deadline for the exemption.

The bill results in either a revenue loss to the municipalities of Danbury, Hartford, Middletown, Plainville, and Seymour or a cost to reimburse taxpayers that have paid taxes for exempt property. It is anticipated that any impact would only occur in FY 22.

The bill also makes clarifying changes regarding fees paid to the Secretary of the State. This has no fiscal impact.

Senate "A" removes a provision allowing taxpayers in Middlefield to receive a tax exemption if they missed the filing deadline. This

eliminates any impact to Middlefield from the bill.

Senate "A" also makes changes to the types of tax exemptions for which taxpayers in the City of Middletown may be eligible if they missed the filing deadline. This has a net impact of expanding or reducing the cost or revenue loss to Middletown in the underlying bill, depending on the value of the exemptions impacted by the amendment.

Senate "B" clarifies the language regarding certain fees paid to the Secretary of State. This has no fiscal impact.

House "A" allows taxpayers in Danbury and Seymour to receive exemptions they otherwise would have received if they did not miss the deadline to file for such exemptions. This results in either a one-time cost to reimburse such taxpayers or a one-time revenue loss.

The Out Years

There is no fiscal impact in the out years, as the bill relates to tax payments made in one fiscal year only.
