HB 6444 An Act Concerning the Modernization of State Services

On behalf of the 7 Jewish Federations across Connecticut, we respectfully request that you oppose section 3 of HB 6444. Section 3 amends the Iran Divestment law which was passed by the General Assembly about a decade ago. HB 6444 changes the Iran Divestment law by changing the word “certification” to “representation.” The word “representation” is undefined in this legislation which is troublesome. Changing definitions and not defining those words weakens this legislation. JFACT opposes any changes that weaken the Iran Divestment law.

Thank you for your consideration.

Michael Bloom
JFACT Executive Director
