

Raised Bill SB 842 - AN ACT CONCERNING HEALTH INSURANCE AND HEALTH CARE IN  
CONNECTICUT

Dear Committee Members and Representatives,

Please note that I fully support the above captioned proposed legislation and also SB 956 - Husky Expansion as we must expand health care and insurance coverage dramatically to save families from devastating loss and financial ruin.

We embarrassingly trail the civilized world in providing quality affordable healthcare for its citizens while we lead the world in personal bankruptcies and financial ruin due to medical costs.

The proposed legislation could very well help remedy these deadly shortfalls and I therefore urge your unqualified support.

Thank you.
