

To Whom It May Concern,

I am opposed to SB 452 "AN ACT CONCERNING HEALTH INSURANCE AND HEALTH CARE IN CONNECTICUT."

I believe this proposal would have a negative impact on private healthcare in this state and would:

- Kill good-paying private sector insurance jobs in our state
- Raise the cost of private and employer health insurance
- Force people onto Medicaid
- Put Connecticut taxpayers on the hook to pay for the government-run program's future losses.

Instead, I urge you to consider Proposed S.B. No. 502, "AN ACT CONCERNING HEALTH CARE AND HEALTH INSURANCE IN CONNECTICUT."

Thank you,
