

Dear CT Democrats,

Please do not go forward with SB 842 as it would:

- Kill good-paying private sector insurance jobs in our state
- Raise the cost of private and employer health insurance
- Force people onto Medicaid
- Put Connecticut taxpayers on the hook to pay for the government-run program's future losses.

I have been a taxpayer and voter in CT for over 10 years, I do not agree with this proposal and do not want it to go forward.

Thank you!
