

PROTECT Connecticut.

The proposal would:

- Kill good-paying private sector insurance jobs in our state
- Raise the cost of private and employer health insurance
- Force people onto Medicaid
- Put Connecticut taxpayers on the hook to pay for the government-run program's future losses.

Republicans have proposed a better way.

Our Republican solution protects middle-class families and Connecticut jobs. It lowers health insurance premiums up to 20 percent while not harming our state's insurance industry.

Protect and improve our system. Do not make it worse!

Sincerely,

Elizabeth Broncati
