

No to S.B. 842

Dear Senator Kelly,

Please make my voice heard that I am opposed to CT state run healthcare! Such proposals kill good paying jobs and do nothing to encourage residents to get educated and get good paying jobs that currently exist. Otherwise, it turns into a perpetual downward spiral. We don't want to end up like the UK, which is the path that the Democrats are charting!

Sincerely

Robert Debacher

6 Old Field Dr.

Bethel, CT 06801

(average resident, I don't live in Greenwich, I'm not rich!)
