

As a LEGAL taxpaying citizen... I oppose this bill!

I already pay my premiums and should not have to pay for others. I work hard to pay all of my own bills and am taxed enough to live in this state.

I cannot believe there is not way for citizens to oppose any bill proposed bill right now due to covid. What a master plan to keep us all in the dark and pass bills that we would never agree to. While we are busy doing one thing.... You have no idea what we are up to on the other side.....

OPPPPPPOOOOOOSSSSSEEEEE!!!!

I OPPOSE SB 842.
