

To Connecticut State Legislators

I oppose Bill SB 842 that proposes a government-run healthcare here in Connecticut.

It would raise the cost of private and employer health insurances. This would limit our choices and may force people onto Medicaid.

Good-paying private sector insurance jobs in our state would be lost.

We, Connecticut taxpayers, would be on the hook to pay for the government-run program.

Please say No to Bill SB 842.

Thank you.

Sincerely,

Mary Jane Malone
