

Dear Representatives:

As a citizen of Ansonia, Connecticut, I protest the proposed SBA 842.

The proposal would:

- Kill good-paying private sector insurance jobs in our state
- Raise the cost of private and employer health insurance
- Force people onto Medicaid
- Put Connecticut taxpayers on the hook to pay for the government-run program's future losses.

I support the Republican alternative, which would provide better insurance at lower cost and also save jobs.
