

To whom it may concern,

I am opposed to SB 842, which would make an unfair government distortion of the insurance industry. We need less government-run healthcare, not more. We need to free- up the insurance markets, not further control them by bureaucrats who don't understand the insurance industry.

SB 842 would restrict consumer choices, and end up causing more people and jobs to leave Connecticut. Please say no to SB 842.

Sincerely,
Cathy Reiss
