Dear Insurance and Real Estate Committee,

My name is James Root and I live in Danbury. I support SB 842. I am an aging, low wage worker and badly need more consistent(not linked to current employer) insurance with affordable terms. Every medical threat I face has parallel, equally potent money threat. More generally, I think the passage of this bill would help CT's business community. Please advance this legislation and withstand special interests efforts against it.

Sincerely,
James Root
