

Good Afternoon

My name is Debra Tibor. I reside at 115 Roulin Street, Torrington, CT 06790

I wish to express my concern about SB 842 as I feel it will kill good paying private sector insurance jobs in out state.

It will raise the cost of private and employer health insurance which our small businesses can not afford now due to covid. It would force more people onto Medicaid. It will put Connecticut taxpayers on the hook to pay for the government run program's future losses.

Republicans have proposed a better way.

A Republican solution that protects middle class families and Connecticut jobs. It lowers health insurance premiums up to 20 percent while not harming our state's insurance industry.

A Republican solution makes health insurance more affordable, but it does not put thousands of Connecticut jobs in jeopardy at a time when the state is dead last in the nation in job growth.

Please consider the Republican solutions seriously.

Respectfully,
Debra Tibor
