

Testimony to the Connecticut General Assembly's Judiciary Committee

In support of Senate Bill No. 1019

3/10/2021

Co-Chairs Sen. Winfield & Rep. Stafstrom; Ranking Members Sen. Kissel & Rep. Fishbein; and esteemed Members of the Judiciary Committee, I am writing in support of S.B. No. 1019 AN ACT CONCERNING THE BOARD OF PARDONS AND PAROLES, ERASURE OF CRIMINAL RECORDS FOR CERTAIN MISDEMEANOR AND FELONY OFFENSES, PROHIBITING DISCRIMINATION BASED ON ERASED CRIMINAL HISTORY RECORD INFORMATION AND CONCERNING THE RECOMMENDATIONS OF THE CONNECTICUT SENTENCING COMMISSION WITH RESPECT TO MISDEMEANOR SENTENCES.

My name is George Markley, and I am a resident of Fairfield, Connecticut. I support S.B. 1019 for the automatic erasure of criminal records. Mass incarceration has had real, ongoing consequences in Connecticut, disproportionately hurting Black and brown communities in our state, and burdening hundreds of thousands of Connecticut residents with a criminal record. Records present barriers to employment, housing, occupational licensing, and higher education. 9 in 10 employers, 4 in 5 landlords, and 3 in 4 colleges use background checks. Clean Slate will automatically expunge the records of people who have served their time, returned to our communities, and remained crime-free. A criminal record should not be a lifetime sentence.

Clean Slate makes communities safer. When people have access to jobs, housing, occupational licensing, and higher education, they are more likely to earn higher wages, and less likely to recidivate. A study from the University of Michigan Law School found that recidivism rates for people who have had their records expunged are so low that they actually "pose a lower crime risk than the general population as a whole."

With S.B. 1019, Connecticut can strengthen our economy, improve public safety, and advance racial justice. I encourage all members of the Judiciary Committee, on both sides of the aisle, to support this important measure. Thank you.

**(NOTE: The foregoing testimony was prepared by others for our use, and we fully support and endorse it. We believe in the merits of Senate Bill No. 1019 and that Connecticut needs to pass meaningful Clean Slate legislation which will, in the end, create a stronger and better society as well as a more robust economy when those who benefit from this Bill are able to pursue and engage in meaningful employment. One personal thought to add: Every one of us has done things in our lives that we might not be proud of - but we may not have gotten caught, or they weren't labeled a crime, or we got away with them because of white privilege or for some other reason. The mere fact that some offenses are labeled "criminal" and some are not is no reason that those who have a record should be condemned for their entire lives to suffer the consequences. At some point, we are all entitled to forgiveness and the same level playing field. To err is human, to forgive divine, and to wipe the slate clean is fair, just and the right thing to do for the betterment of the State of Connecticut.)**
