

Testimony to the Connecticut General Assembly's Judiciary Committee

In support of Senate Bill No. 1019

3/10/2021

Co-Chairs Sen. Winfield & Rep. Stafstrom; Ranking Members Sen. Kissel & Rep. Fishbein; and esteemed Members of the Judiciary Committee, I am writing **in support of S.B. No. 1019** *AN ACT CONCERNING THE BOARD OF PARDONS AND PAROLES, ERASURE OF CRIMINAL RECORDS FOR CERTAIN MISDEMEANOR AND FELONY OFFENSES, PROHIBITING DISCRIMINATION BASED ON ERASED CRIMINAL HISTORY RECORD INFORMATION AND CONCERNING THE RECOMMENDATIONS OF THE CONNECTICUT SENTENCING COMMISSION WITH RESPECT TO MISDEMEANOR SENTENCES.*

My name is Katherine Wiant and I am a resident of Fairfield. **I support S.B. 1019** for the automatic erasure of criminal records, also referred to as Clean Slate Legislation. I firmly believe that a criminal record should not be a lifetime sentence. Mass incarceration has had real, ongoing consequences in Connecticut, disproportionately hurting Black and brown communities in our state, and burdening hundreds of thousands of Connecticut residents with a criminal record. These records present unfair barriers to people who have already served their time: barriers to employment, housing, occupational licensing, and higher education. **9 in 10 employers, 4 in 5 landlords, and 3 in 4 colleges** use background checks. Clean Slate will automatically expunge the records of people who have served their time, returned to our communities, and remained crime-free. They have held up their end of the agreement and we shouldn't punish them beyond their time in prison.

Clean Slate makes communities safer and benefits all of us. When people have access to jobs, housing, occupational licensing, and higher education, they are more likely to earn higher wages, and less likely to recidivate. A study from the University of Michigan Law School found that recidivism rates for people who have had their records expunged are so low that they actually “pose a lower crime risk than the general population as a whole.”

With S.B. 1019, Connecticut can **strengthen our economy, improve public safety, and advance racial justice.** I encourage all members of the Judiciary Committee, on both sides of the aisle, to support this important measure. Thank you.
