Subject: Hazard Pay

My name is Linda Strickland I am a resident of West Hartford and a member of CEUI Local 511 and I work at the Rocky Hill Veterans home as a custodian.

Being an essential employee during Covid was stressful during the pandemic and having underlying medical issues myself has stressed me out because I was scared of contracting covid being around the virus. I strongly believe in receiving hazardous pay because we were working in an area where Covid was present and people were dying due to contracting Covid.

Thank you
