Members of the PLANNING AND DEVELOPMENT Committee,

I am **OPPOSED** to HB-6107 LCO No. 2650 (AN ACT CONCERNING THE REORGANIZATION OF THE ZONING ENABLING ACT AND THE PROMOTION OF MUNICIPAL COMPLIANCE).

One size does not fit all. Please leave Planning, Zoning, and Development up to the individual towns and cities. The local residents and property owners know best what fits the character of their communities.

I urge you to **OPPOSE** this Bill.

Sincerely,  
Roy D. Downey
