

I am urgently requesting that you cease & desist all actions on Bills # **HB6107** & **#SB1027** and keep zoning decisions **LOCAL** and in the hands of those directly affected by those decisions. In addition, I am violently opposed to a “mansion tax” on homes over \$300K, as we are all drowning in CT taxes already and it’s the reason so many wealthy people are constantly leaving the state. Thank you, Anita Keefe, Greenwich, CT
