

I strongly urge you to vote no for the following bills:

Bill Numbers (HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027)

*I live in a small town, and prefer to keep the control of my town in local hands. We should have and maintain the future of our towns in local hands, no someone from another area that does not respect the flavor of local communities, and has the welfare of outsiders as a main consideration.*

*Please vote no for the above bills*

*Thank You*
