Testimony IN OPPOSITION OF - *H.B. 6107 - An Act Concerning the Reorganization of the Zoning Enabling Act and the Promotion of Municipal Compliance*

Dear Chairmen and Members of the Planning and Development Committee,

This testimony is in opposition of the above bill usurping our Freedom, Liberty and Rights in regard to local control.

Our Rights exist under God and put forth in our Declaration of Independence....

We hold these truths to be self-evident, that all men are created equal, that they are endowed, by their Creator, with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.

our United States Constitution as well as the Constitution of the State of Connecticut. The aforementioned bill would usurp the legal Rights of citizens and their property by governmental overreach of the state.

Vote No.

God Bless,

Anne Manusky, President
Connecticut Republican Assembly (CTRA)
