

OPPOSE BILLS HB6107 and SB1027

As a lifelong resident of southwestern CT and a veteran, I vehemently oppose the captioned bills. They will alter our quality of life by increasing taxes on "mansions" (which, by definition, mean nearly every home in southwestern CT!) in an already high cost of living area in CT. Additionally, by allowing Hartford to decide local Zoning issues you will interrupt the local character of our State neighborhoods.

Please "table" these two bills forever!
Sincerely,
