

“NO to State-Mandated Zoning and Yes to Maintaining Local Control & Protecting the Environment”

(HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027)

Zoning control must remain a local issue or Connecticut as we know it will cease to exist. The state will become an unending strip mall.
