

To Whom It Concerns:

My name is Caroline Smith and I live in Bethel, Connecticut.

As a resident of Bethel, Connecticut I say **NO to State-Mandated Zoning and Yes to Maintaining Local Control & Protecting the Environment**. The proposals in *HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027* will do nothing but harm Connecticut, its resources, and the life so many of us have built for ourselves in this state.

Sincerely,

Caroline Smith
