Re: HB6107 and SB1027

Dear Sir or Madam:

We all believe that affordable housing is important. However, local governments should be able to control the zoning of their towns. Each town has unique infrastructure and environmental situations and the local governments know what they are doing. We don't want or need a "one size fits all" solution from Hartford that doesn't necessarily address the affordable housing issues of our town. We trust ourselves and our neighbors who care about our town, city's people, environment, traffic and our future to make decision that will impact our families.

I strongly oppose HB6107 and SB1027
